Dear **Community Business**:

The Grey Bruce School of Dance has been operating in our community since 1964. As a well established not for profit dance school, our mandate is to provide dance instruction to residents of South Grey and Bruce. Our goal is to enhance the artistic quality of the region by providing affordable dance classes to children, teens, and adults. We are able to enrich and broaden the lives of our students through several forms of dance. We do emphasize the importance of a love of the art of dance for its own sake. We firmly believe that dance is a universal art form which should be available to anyone regardless of size, age or talent; everyone should have their chance to be seen in the front row of their dance class.

Our home is located at 501 9th Avenue in Hanover. There are many costs associated with our dance school, and our main objective is to keep the cost of dance at a very reasonable rate with the least amount of increase from year to year. It is with this in mind that we are calling on our community to assist us in achieving our goals. We are looking for sponsorship and/or donations of items. We appreciate your anticipated support and look forward to having everyone enjoy the art of dance. If you would like to make a contribution towards our dance school please see the attached recognition you will receive and a contribution form to be completed and returned.

Thank you for your support.

Sincerely,

Grey Bruce School of Dance Executive
